RECOMMENDATION LETTER

for Antoine Tifine

Berlin, 17.06.2014

Dear Delegates of the FYEG GA,

hereby we would like to express our deepest support for Antoine Tifine applying for being member of the Steering Committee of the Global Young Greens on behalf of Europe/FYEG.

We definitely think that he has the capacity, motivation and enthusiasm for the idea behind FYEG and also the knowledge to work in the SC and to raise the importance of GYG inside FYEG and its MOs. Antoine has been an active member of the Jeunes Ecologistes (French Young Greens) for many years. As Antoine has outlined his political convictions himself, we do not think that we have to go into details, but rather want to stress a few of his more personal qualities. Having worked with him during numerous occasions, we enjoyed his enthusiasm and ability to get other people involved. Besides his great motivation skills, Antoine also works well-structured, can organize discussions and lead them to a result, and if necessary, get things done. In addition, he is always eager to learn new things and is really great at working with people from diverse cultural and geographic backgrounds.

Hence the Climate Crisis comes nearer, and as we need a worldwide mobilisation for the UN Climate Summit in 2015, we think that Antoine can mobilize GYG, its MOs and the MOs of FYEG for this event. So far he is deeply involved in mobilization with NGOs from all over France, which will play a key role for a global mobilization.

With his skills and personal qualities, his knowledge about and contacts within the international green movement and also his former engagement and experiences with FYEG and GYG, we whole-heartedly support Antoine's application for the Steering Committee of the Global Young Greens. We wish him all the best and would truly enjoy to continue working with him in this responsibility.

If you have any questions or wish to have further information, please do not hesitate to contact the International Coordination of the GRÜNE JUGEND.

Yours sincerely,

Kati Bachnik, Dunya Ballout, Julia Bartmann, Bianca Creutz, Juliane Goetzke & Anton Jaekel
